AN INCREDIBLE OFFER FROM THE CELLARS AT BROOKS WINERY

Located in the heart of the Eola-Amity Hills AVA in Oregon, you will find Brooks Winery. The founder Jimi Brooks, passed away in the midst of harvest in 2004. The Oregon wine community rallied to continue making his wines. Brooks continues Jimi's mission of being an incredible steward to the land. They biodynamically farm all of their vineyards, and plant native species in and around the vineyards. This ensures the highest quality and health of their soils. We have a special connection to Brooks, and were fortunate enough to be invited out to Oregon to produce our own Pinot Noir. We respectfully named it Homage in honor of our relationship with the winery. Today, the Brooks team carries on Jimi's legacy.
